

## Internship Certificate

To whom it may concern,

Herewith, we confirm that Mr. Kuangpu Zhang (born on May 18<sup>th</sup>, 1995), has been employed as an intern with Huawei Technologies Deutschland GmbH in the Device DT Handset and Panel GTM Department from January 1<sup>st</sup>, 2021, until May 31<sup>st</sup>, 2021, working fulltime (Monday – Friday, 09.00 to 18.00h).

As an intern, Mr. Zhang has consistently demonstrated great contribution for Huawei during this period. He successfully established strong and trust-based relationships within his department and across all levels within the Huawei organization. The management fully recognized his commitment, determination and ability to complete his responsibilities and tasks to a very high standard.

His responsibilities and tasks included:

- Management and Conduction of activities of quality and function test of terminal devices
  - arrange and carry out automatic and manual local network test of handsets and broadband devices
  - maintain and upgrade the software version of different terminal devices
  - test the compatibility of a bulk of android applications based on HMS (Huawei Mobile Services) core
  - reproduce the issues reported by DT customer and R&D
  - catch the logs and verify the solutions to respective issues
- Management and tracking of the requirements and technical issues between the DT customer and R&D in Huawei
  - record and explain the requirements and issues between DT customer and R&D
  - align the test plan with DT customer to meet device delivery plan and software release plan
  - instruct the customers to use some debug and test tools developed by Huawei company

We highly appreciate Mr. Zhang for his outstanding contribution, and wish his continued success for his further studies as well as professional and personal future.

Düsseldorf, May 31<sup>st</sup>, 2021

Yours sincerely,

Alina Wassong
